Young Guns

Tribute to the Superstars of Country Music

About

Electric and acoustic guitars, banjo, and violin give Young Guns several ways to carry a country party. The San Diego band covers music from the ’60s through current material, adding country-rock selections associated with Lynyrd Skynyrd, The Eagles, and ZZ Top. It also gives rock songs by acts such as AC/DC and Bon Jovi a country treatment. Harmonies and ballads sit alongside the bigger numbers in a show offered for festivals, weddings, corporate events, cruise ships, casinos, and clubs.
